 - e. **"Transaction Confirmation"** means a confirmation that is transmitted to a registered user after the user has submitted a transaction through an EFSP to the Court. At a minimum, the transaction confirmation displays an envelope number and the date and time the transaction was submitted by the registered user through the EFSP. The transaction confirmation may serve as the filer's proof of submission.
 - f. **"Envelope Number"** means a unique number assigned by the EFM to each e-filing transaction and may be used to track an e-filing transaction.
 - g. **"PDF"** means Portable Document Format, a proprietary file format developed by Adobe Systems, Inc.
 - h. **"Registered User"** means an individual who has registered a username and password with the EFM.

- i. **"Technical Failure"** means a malfunction of the EFM, EFSP, or the Court's hardware, software, and or telecommunications facility which results in the inability of a registered user to submit a document for e-filing. It does not include the failure of a user's equipment.

3. Secured Documents.

- a. Confidential, impounded, sealed or otherwise secured documents ("secured") shall be submitted only when clearly designated as such at the time of filing.
- b. Motions for leave to file a secured document may be e-filed and must be designated as such at the time of submission. The secured document shall be submitted at the same time as the motion, but in a separate transaction than the transaction containing the motion.

4. Registration, Change of Contact Information, Usernames and Passwords.

- a. Registration to become a user through eFileIL is available on an approved EFSP's website. For a list of approved EFSP vendors, visit <http://efile.illinoiscourts.gov/service-providers.htm>.
- b. The registrant shall provide the EFSP the requested registration information, including a secure username and password. This username and password shall also function as a signature on each e-filed document, as provided in paragraph 6, and will authorize payment of all filing fees and service fees, if any, as provided in paragraph 10.
- c. If an attorney is suspended or disbarred by the Court, his or her e-filing account access will be suspended.
- d. The Court reserves the right to revoke a registered user's privileges with or without cause.
- e. Once registered, it is the responsibility of the registered user to keep his or her e-mail address and other contact information current with the Court and the EFSP.

5. Format of e-filed document.

- a. Except as otherwise provided, an e-filed document shall comply with current Supreme Court Rules, including but not limited to page and word limitations, page size, font type, margin width and font size.
- b. An e-filed document must be in text-searchable PDF format compatible with the latest version of Adobe Reader. Except as otherwise provided by this manual, an e-filed document created by a word processing program must not be a scan of the original but must instead be converted directly into a PDF file using Adobe Acrobat, a word processing program's PDF conversion utility, or another software program. Whenever possible, scanning should be avoided.

- c. If scanning is unavoidable, the scanned document must be made searchable using optical-character-recognition software, such as Adobe Acrobat Professional, and have a resolution of 300 dots per inch (dpi) with a "black and white" setting.
- d. The size of any single transaction shall not exceed 150 megabytes.
- e. Documents in different cases submitted in a single transaction will be rejected.
- f. Documents submitted for e-filing shall include a proof of service for the filing and any other item required by Supreme Court Rules as a single file and be placed at the end of the document.
- g. If a document requires leave of Court before filing, the registered user shall attach the proposed document as an exhibit to the motion for leave in a single transaction. The proposed document shall also be submitted for e-filing, but in a separate transaction than the transaction containing the motion requesting leave.
- h. Appendix materials may be scanned if necessary, but scanning should be avoided when possible. An appendix shall be combined into one computer file with the document it is associated with for purposes of e-filing, unless the resulting computer file would exceed 150 megabytes. In such case, the registered user is responsible for dividing the document into appropriately sized parts, with each part having a separate cover page that labels each part of the appendix (e.g. Appendix, Part 1; Appendix, Part 2 etc.), and submitting the parts in separate transactions that do not exceed 150 megabytes.
- i. An e-filed document item may contain hyperlinks to another part of the same document, an external source cited in the document, an appendix item associated with the document, an embedded case, or a record citation. A hyperlink within an appendix item is also permitted. Any external material behind the link is not considered part of the e-filing.
- j. An e-filed document must not contain a virus or malware. The e-filing of a document constitutes a certification by the registered user that the document has been checked for viruses and malware.
- k. A document requiring a specific color cover page pursuant to Supreme Court Rule 341 shall be submitted for e-filing in compliance with Rule 341. Upon acceptance and filing, the paper copies submitted to the Clerk's office pursuant to paragraph 8 of this manual shall also contain the appropriate color cover page and be the printed version of the e-filed document bearing the Clerk's electronic stamp.
- l. The Court may reject an e-filed document for nonconformance with this manual or Supreme Court Rules.

6. Signatures on e-filed documents.

- a. Except as otherwise provided, the confidential, secure username and password that the registered user must use to e-file a document constitute the registered user's signature on the document, in compliance with requirements of Supreme Court Rules and statutes regarding original signatures on Court documents. When a signature is provided in this manner, the registered user must also include either an "/s/" and the registered user's name typed in the space where the registered user's signature would otherwise appear or an electronic image of the registered user's signature, which may take the form of a public key-based digital signature or a scanned image of the registered user's signature.
- b. The registered user shall not allow his or her username or password to be used by anyone other than an agent who is authorized by the registered user.
- c. If a document is notarized, sworn to or made under oath, the registered user must e-file the document as a scanned image containing an image of the necessary original signature(s). A document certified pursuant to Section 1-109 of the Code of Civil Procedure may contain an electronic signature as described in subparagraph a.
- d. If a document requires the signature of an opposing party, the registered user must e-file the document as a scanned image containing the opposing party's signature.

7. Timing of e-filing; mechanics.

- a. The EFSP and the EFM are agents of the Court for the purpose of e-filing and receipt of electronic documents. Upon submission of an e-filed document, the EFSP will email to the registered user a transaction confirmation which shall serve as proof of submission.
- b. A document will be considered timely submitted if e-filed before midnight on or before the date on which the document is due.
- c. A document submitted electronically after midnight or on a day when the Clerk's office is not open for business will, unless rejected, be file stamped as filed on the next day the Clerk's office is open for business.
- d. An e-filed document submitted to the Clerk for filing shall be deemed filed upon review and acceptance by the Clerk. The filed document shall be endorsed with the clerk's electronic file mark setting forth, at a minimum, the identification of the Court, the Clerk, the date and the time of filing.
- e. After the Clerk reviews an e-filed document, the registered user will receive an e-mail notification of the review results.
- f. In the event the Clerk rejects a submitted document, the document will not be filed and the registered user will receive an electronic notification of the reason(s) for the rejection.

- g. A document requiring a motion and a Court order allowing its filing that is properly e-filed pursuant to subparagraph d of paragraph 5 of this manual, will be deemed filed on the date the motion is granted.
- h. If an e-filed document is untimely due to a technical failure or a system outage, the registered user may seek appropriate relief from the Court, upon good cause shown.

8. Paper Copies.

- a. Upon acceptance of the following document types: briefs, petitions for rehearing, petitions for leave to appeal and any answers to a petition for leave to appeal or petition for rehearing, the registered user shall provide thirteen (13) duplicate paper copies to the Clerk's office in Springfield. Said copies shall be received in the Clerk's office within five (5) days of the electronic review notification generated upon acceptance of the e-filed document.
- b. The paper copies must comply with applicable Supreme Court Rules, including the color cover requirement in Supreme Court Rule 341, if applicable, and shall be the printed version of the e-filed document bearing the Clerk's electronic file stamp.

9. Proof of Service.

- a. A document filed electronically shall be served on all parties and/or counsel of record in accordance with Supreme Court Rules. The proof of service shall advise all parties and/or counsel of record the document was served and filed by electronic means on the Clerk's office.
- b. If a document requires a Court order allowing its filing, no additional proof of service is required as long as the original proof of service filed along with the motion for leave to file the document includes a reference to the unfiled document and is served on all parties and/or counsel of record.

10. Payment of Filing Fees.

- a. Registered users e-filing documents shall pay the applicable filing and appearance fees electronically to the Court through the EFSP at the time of e-filing.
- b. Registered users requesting waiver of fees shall file an application for waiver of fees pursuant to Supreme Court Rule 298. The application shall be a separate transaction from the transaction containing the document for filing. If the application for waiver is denied, the fee will be due and owing.
