Clerk,
Supreme Court of the State of Illinois

Illinois Judicial Conference Automation and Technology Committee

CONFERENCE YEAR 2010

Statement of Purpose:

The Automation and Technology Committee shall provide consultation, guidance, and recommendations regarding standards, policies and procedures relating to the use of technology and automation within the judicial branch.

General Charge:

The Committee shall develop general guidelines which promote the effective and efficient use of technology and automation in the trial courts including recommendations for statewide standards, protocols, or procedures. The Committee shall analyze and develop recommendations related to rules and statutory changes that will manage the use of technology within the courts. The Committee's work also includes the review and evaluation of technology applications and their impact on the operation and workflow of the court. The Committee will also research and recommend response protocols to resolve security issues which may affect the use of technology.
