Illinois Judicial Conference Alternative Dispute Resolution Coordinating Committee

CONFERENCE YEAR 2015

Statement of Purpose:

The Committee shall examine the range of civil dispute resolution processes utilized in other jurisdictions, convene alternative dispute resolution program administrators for the purpose of facilitating informational exchanges to promote program efficacy, and monitor the progress of all court-sponsored alternative dispute resolution programs.

General Charge:

The Committee shall examine the range of civil dispute resolution processes utilized in other jurisdictions and make recommendations regarding programs and various types of dispute resolution techniques suitable for adoption in Illinois, including methods for ongoing evaluation. The Committee shall develop recommendations for implementing and administering dispute resolution programs that remain affordable, appropriate, and provide an efficient alternative to protracted litigation. The Committee shall monitor and assess on a continuous basis the performance of circuit court mandatory arbitration programs and mandatory mediation programs approved by the Supreme Court and make regular reports regarding their operations. The Committee shall develop uniform reporting requirements for circuit courts in the collection and monitoring of statistical information for mandatory arbitration and mandatory mediation cases. The Committee will also examine and develop training programs in ADR techniques and practices to promote consistency in ADR services. The Committee shall also explore the feasibility of expanding ADR into other courts.

Conference Year 2015 Projects/Priorities:

- Examine Supreme Court Rule 99 (Mediation Programs) to determine if the rule needs expansion or clarification to standardize the formulation of requesting a new mediation program and the day to day operation of an existing mediation program.
- Develop a uniform methodology of statistical reporting for all mediation programs to provide a clearer picture of the use and effectiveness of those programs.
- Develop standardized forms for use by mediation programs to provide uniformity for the rationale of the mediator's conclusions.
- Facilitate the improvement and expansion of major civil case mediation programs by collaborating with the IJC Committee on Education to educate judges on the best practices of mediation, by meeting with the Conference of Chief Circuit Judges to encourage mediation, and by disseminating a survey to litigants regarding their views and perceptions about mediation.
- Undertake any such other projects or initiatives that are consistent with the Committee charge.
